Dear Sir/Mam

*Guru Arjan Dev Institute of Development Studies popularly known as **IDSAsr** is a centre for advanced research and training in multi disciplinary areas as diverse as Agriculture and rural development; social change and social structure; environment and resource economics; globalization and trade, industry, labour and welfare; macro economics issues and models; population and development and health policy research. The institute is being runs under the aegis of Guru Arjan Dev Institute of Development Studies Society, Amritsar which is a registered national scientific and educational society under Societies Registration Act, XXI of 1860 vide Registration No. 77 of 2009-2010. The society was collectively conceived to promote research, publication, development, training and similar creative activities. Though the institute is at the embryonic stage, it has got **membership** into various world organizations, namely, **UN Global Compact; Global Water Partnership; Coherence in Information for Agricultural Research for Development; Forum: Science and Innovation for Sustainable Development and so on.***

*Institute has conducted six annual National Seminars since its inception that is July 2009 and 7th is slated in the month of November 2016 (Nov 25-26, 2016) on the theme **Recycling of Waste Water and Reuse System.** This time to create awareness about this valuable natural resource (**WATER**) among the up growing generation, we have decided to organize paper writing and reading context. The contest will be open to all the school going students in the age group of 14 to 17 yrs.*

It will be highly appreciated if you please advise/encourage your students to participate in the context by contributing original paper on any of the sub topic within the main theme of the seminar.

With warm personal regards

Director
